

**LP-F1 User Manual and Program Version  
Cross-Reference Table**

**Method to Check the Program Version**

After powering up, the interface displays the program version, as shown in the right figure.

<b>Program Version</b>	<b>User Manual</b>
D3~D6	LP-F1 V1.0 User Manual Rev02(program version:D3~D6)
E2~E5	LP-F1 V2.2 User Manual Rev00(program version:E2~E5)

\* Explanation:  
Machine Model + Mechanical Version + User Manual + Manual Version (Program Version)
